The Interfaith Room Shared Space Guidelines

The FXW Interfaith Room is an inclusive and welcoming space for all members of the FXW community which is comprised of a variety of faith traditions. In order to respectfully designate this space as a room intended for prayer and meditation, we ask all to follow these Shared Space Guidelines.

In this quiet space:

- ❖ *All are welcome to quietly pray, meditate, contemplate and reflect.*
- ❖ *Please enter and depart the room quietly at any point during the designated time of reflection in order to be mindful of others.*
- ❖ *We respect the peaceful atmosphere (Soft music/sounds of nature will play in the background).*
- ❖ *Feel free to use the furniture and texts provided in the room. Please refrain from walking on the prayer rugs.*
- ❖ *Please refrain from bringing food or drink into the room as these items are not permitted during prayer/meditation in some faith traditions.*
- ❖ *We set aside distractions (please silence cell phones).*
- ❖ *Please remove your shoes before entering the room in order to respect the tenets of some faith traditions. If you prefer to keep your shoes on, please use the disposable shoe covers provided.*
