

# LBFE Holiday Wish-List Items

## Items for our special holiday gift bag that will be hand delivered to almost 1000 elders.

- 
- \* **Activities for our elders:** Most of our elders love a fun in-door activity, and even more-so during the cold winter months. What we need: find a word and crossword puzzle books (large print books are great), adult coloring books, including colored pencils and a small pencil sharpener (like the kind you see in school supplies).
  - \* **Boxes of chocolates** – A nice box of chocolates is such an extra special gift for the holidays. Our elders enjoy having a special sweet not only for themselves, but one they can share if a neighbor stops by. Half-pound boxes are preferred but one-pound boxes are also welcome. (sugar free or regular).
  - \* **Danish Butter Cookie Tins** – Who doesn't love those Danish Butter Cookies? Especially around the holidays, and in those pretty holiday tins (or any tin is fine with us). We are looking for 8oz to 12oz tins.

**Other items needed all year long for our Food Pantry:** Little Brothers provides over 100 personalized food bags each month to elders in need.

- 
- \* **Coffee** – one-pound packages of regular and decaffeinated coffee
  - \* **Individually wrapped toilet paper rolls**
  - \* **Individually wrapped rolls of paper towels**
  - \* **Dish washing liquid**
  - \* **Small bottles of hand sanitizer**
  - \* **Boxes of Kleenex tissue**
  - \* **Snacks such as protein bars, fruit cups, Jello and pudding cups, and other small wrapped packages of snacks.**
  - \* **Jewel Gift Certificates** – Only if necessary, for groups to purchase. There are a few elders who need nutritional drinks, such as Ensure, that we purchase on a regular basis. We collect coupons and then wait for a sale to buy.

### **One more thing:**

We are always in need of large walkers with seats. We will accept them new or gently used. We put them to the side and give them out to elders who need one. They go fast!
