

Family SEED Seminars at:

**The Frances Xavier Warde School
At The Old St. Patrick's Campus**

SEED seminars include personal reflection and testimony, listening to others' voices, and learning experientially and collectively. Through this, SEED equips us to connect our lives to one another and to society at large by acknowledging systems of oppression, power, and privilege—and challenges participants to push for change.

Dates/Times will be determined by participants' availability. Please complete this [form](#) if you're interested in registering for Family SEED.
